GEORGIA DOT SCHEDULES MOWING IN JEFFERSON COUNTY

- WHEN:** Monday, September 12 and continuing through Thursday, September 15, weather permitting
- WHERE:** State Route 24 East and State Route 17 South
- WHAT:** Georgia DOT Maintenance crews will be mowing the sides of the roadway in Jefferson County. Work is tentatively scheduled between 7 a.m. and 3:30 p.m., weather permitting.

Each day, hundreds of Georgia Department of Transportation employees and contractors work on dozens of highway, bridge and intersection improvements throughout the state. Their work often brings them and heavy machinery in close proximity to travel lanes. Fifty-seven Georgia DOT personnel and many more motorists, passengers and contractors' workers have been killed in highway work zone accidents since 1973. Please help us prevent these tragedies by slowing down; being especially attentive and cautious as you pass through construction work zones; and always driving responsibly. Safer Driving; Safer Work Zones; For Everyone.
